ProAm Golf Shop Highlights Largest Inventory of Golf Equipment and Expanded Instruction

September 14, 2026

HONOLULU, HI - September 14, 2026 -
ProAm Golf Shop, a Honolulu-based retailer serving Hawaii golfers since 1989, has expanded its instructional staff and continues to maintain one of the largest inventories of golf equipment and accessories in the state. The addition of instructor Joe to the teaching team broadens the lesson options available to players of all skill levels.

The golf shop stocks a wide selection of clubs, bags, apparel, and accessories, allowing golfers across the islands to find equipment suited to their game in a single location. The company has built its reputation over more than three decades on the depth of its inventory and its fitting and repair services, which include 24-hour turnaround on regrips.

Alongside its retail offerings, the company has strengthened its instruction program. Golf lessons with Joe are now available to beginners and experienced players seeking to refine their technique. Lessons are conducted in a structured environment where learners can develop the skills needed to meet the challenges of the course under the guidance of experienced instructors.

"Adding Joe to the teaching staff reflects a commitment to helping golfers improve, not just outfitting them with gear," said Nathan Yoshioka, a representative of ProAm Golf Shop. "Golfers in Hawaii now have access to quality instruction backed by one of the deepest equipment selections in the state."

The company pairs its instruction with fitting and repair services led by experienced staff, including PGA Professionals who help customers match equipment to their swing. This combination of retail, fitting, and teaching allows golfers to address multiple aspects of their game through a single provider.

The shop also offers competitive pricing across its product lines. Among the seasonal offerings and regular sales, the Best golf deals give customers a range of options when purchasing equipment, apparel, and accessories. A VIP list is available for customers who wish to stay informed about promotions and new arrivals.

"The goal has always been to serve the local golf community with expertise and a broad selection," Yoshioka said. "Whether someone needs a club regripped, a new set of irons, or a lesson to sharpen their short game, the resources are in one place."

ProAm Golf Shop serves a diverse customer base that includes weekend players, competitive amateurs, and visitors to the islands. The company's inventory spans equipment for players at every stage, from those purchasing their first set of clubs to seasoned golfers seeking specialized gear. Its fitting and repair services support customers throughout the life of their equipment.

Established in 1989, ProAm Golf Shop is a golf retailer located in Honolulu, Hawaii. The company offers golf equipment, accessories, apparel, bags, fitting and repair services, and instruction.
